GUNS and PEOPLE OF COLOR

These two phrases are rarely used together in a positive manner, until now.

The Maryland Tenth Cavalry Gun Club (MDTCGC) was created to support, educate and encourage safe and responsible firearm ownership by people who traditionally have not participated in organized shooting sports. Our Club has a fervent vision to introduce urban and minority citizens to organized shooting sports and

associations, traditionally enjoyed by the rural communities.

Our name is derived from the famed 9th and 10th Horse Cavalries, better known for their Native American-given name, “Buffalo Soldiers”. The Buffalo Soldiers were the first, truly free African American Soldiers to fight under a single United States of America Flag.

We actively focus on the preservation of African American firearm heritage through education by remembering our positive gun owner Heritage: American Revolutionary War Patriots, Civil War Freedom Fighters, and Soldiers ordered to protect American Western Frontier Settlers, Stage Coaches and Telegraph Line workers from Outlaws, Bandits and Renegades. From the Revolutionary Wars, Spanish American War, Civil War, WWI & II, and, all subsequent wars, African American Soldiers and Civilian Law Enforcement Officers have given their lives and been decorated with our Communities', States', and Nation's Highest Honors for the cause of deterring Enemies of Freedom at Home and Abroad.

The MDTCGC welcomes all law abiding citizens regardless of gender, ethnicity, or creed, who support the United States of America Constitution. Our membership is comprised of Range Safety Officers, hunters, collectors, certified firearm instructors, competitive high power and pistol shooters, outdoorsmen, and firearm enthusiasts, who wish to fellowship, expand, and enhance their social circle with like-minded people.
